

## What is happening in the world today?

Many things have happened over the years and will happen. Conspiracies have taken place many years ago by the Illuminati through the Masons. Over two hundred years they gradually took over the governments of every country in the world. They did it so slightly not to be noticed or to alarm.

Many years ago President Bush kept talking about the New World Order. In 2010, not only did they have a new constitution in place ready to use but Obama signed a law into place about the Obama Care health care plan which was supposed to put in place a card containing a RFID chip which will have all your medical and banking information. It did not happen in the time frame that they wanted and has put off until January 2014. After that they will implement the RFID chip into your hand or forehead, this will be the mark of the beast and will cause some problems at a later time due to the tiny battery in it. It will look like a bump and later cause sores on the skin like a disease (*Rev. 16:2 and the first went, and poured out his bowl into the earth; and it became a noisome and grievous sore upon the men which had the mark of the beast, and which worshipped his image*). The worse thing is you will go to hell by having this mark (system) as it declares in Revelation.

See:

**Lev 19:28** (KJV) *Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the LORD..*

**Lev 19:28** (GWV) *Never slash your body to mourn the dead, and never get a tattoo. I am the LORD.*

Rev. 13:16, 17

**Rev 13:16** *And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

**Rev 13:17** *And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

The Obama Care was put into law in 2010 and the way it is worded it leaves it open to their discretion to arrest you for no reason just because you may do something illegal in the future. This is mainly aimed at Christians because Christians most likely will not take the mark or the chip and will fight against it. With good praying Christian still here is a hindrance to the world and most of the world will eventually cry out to eliminate the Christians, including Israel.

One video on the YouTube a person said that if the government lets the public know something had developed they actually are thirty years ahead of that. It has been said that the government is studying the human mind, so it is apparent that all these shootings at schools and other miss-use of guns you know the government have manipulated some peoples mind to allow this to happen so that the American people would rise up about gun laws. This way it would be very easy to take peoples gun and pass laws to eliminate them, then it would be much easier to take over and control people, leaving Americans helpless.

Over many years they have put sugar in foods including milk, meats to enhance the taste buds which is addicting and therefore would cause hunger and encourage a person to buy more. This way the manufacture will make more money and American people will have a need for more like the addiction of cigarettes. By doing this the government can control people much better by shorten the food supply and people would allow the implantation of the RFID chip (mark of the beast). Later the government would or the world leader (Satan) will force you to worship the beast or the image of the beast.

There are many things that were a step toward control, take over, enslaving people, no one have even noticed.

Everyone should wake up, pray and prepare for the END OF TIME. It will be before the year of 2020.
